HLTAID003 - Apply First Aid (Level 2)

Want more than "just a certificate" this course is for people actually wanting to learn first aid !

This course teaches the fundamental principles, knowledge and skills to enable the first aider to provide emergency care for injuries and illnesses, in the home or the workplace.

We now provide a one day session for time conscious individuals , this is achieved through an intense 1 day theoretical / practical workshop, with the completion of an additional participant workbook.

Course Content

D.R.S.A.B.C.D

C.P.R . AED and Anaphylaxis
Head , Neck and spine Injuries
Transportation of casualties
