

OHS OFFICER REGISTRATION & LTD COMPLIANCE SERVICES MEMBERSHIP

Are you
Safe?

What is an Active TEC compliance services member?

Active TEC has developed a recognition program for personnel who train to become a Health and Safety Officer (HSO).

This membership is exclusive as to become a member you must meet a specific level of education and certification to be eligible.

Where members meet the validation process and hold recognised certification to act as a HSO the member is listed on our Data base as a qualified Health and Safety "associate".

The twelve (12) month membership provides its validated members with expert Work Place Health & Safety (WHS) and Occupational Health & Safety (OHS) information support.

Up to date information in relation to "Health and Safety" legislation is crucial and specifically needed to assure your business and processes are legal and compliant.

We also provide a mediation services and advise should conflict between Clients, Contractors and Employees arise.

This membership and service is "invitation only", offered to Health & Safety Officers that have completed the Active TEC Five(5) Day WHS/OHS course.

Our accredited consultants are able to provide those developing and managing compliance within their business expert support , predominantly by answers to questions that may otherwise , if not answered correctly , may cause non conformances with the Acts , Regulations , Codes and Standards.

An this is likely to result in some form of **penalty**, at times being in the order of **thousands of dollars !!!**

How do I join ?

1. You must have completed the 5 Day WHS/OHS course (Safety Officers Course) or hold a certification accepted by Active TEC determined by an RPL process.
2. Complete a Member application form and return it to ATEC.
3. Make a payment and record your remittance number (Details are in the Membership Application Form)
4. Save and send back to info@activetec.com.au
