HLTAID011 - Apply First Aid (Level 2)

Industry Level First Aid Training which includes Units HLTAID009 & HLTAID010

Want more than "just a certificate" ? this course is for people actually wanting to learn and use first aid techniques !

This course teaches the fundamental principles, knowledge and skills to enable the first aider to provide emergency care for injuries and illnesses, for the workplace or to offer assistance in general.

We now provide a one day session for time conscious individuals , this is achieved through an intense 1 day theoretical / practical workshop, with the completion of an additional participant workbook.

Course Content

D.R.S.A.B.C.D

C.P.R . AED and Anaphylaxis
Head , Neck and spine Injuries
Transportation of casualties
Fractures and splints
