### AUTOMATED EXTERNAL DEFIBRILATORS

**Special Industry Price \$ 1965.00** (G.S.T Free)

This public access defibrillator has an 8-year warranty and a unique combined battery and pad-pack with a 4-year life from date of manufacturer.

The Samaritan AED is ideal for use in workplaces, hotels, schools, restaurants, companies, clubs, shopping centres, sports clubs, aviation and shipping, doctor's offices, cars, trucks and hospitals.

Advanced technology - The Samaritan AED utilizes proprietary electrode technology, advanced and stable firmware, and proprietary SCOPE™\* Biphasic technology (an escalating and low-energy waveform that automatically adjusts for patient impedance differences) to assess rhythm and recommend defibrillation if necessary.

#### Easy-to-Follow Visual and Verbal Guides

**User-friendly.** The samaritan PAD 350P features easy-to-understand visual and voice prompts that guide a user through the process including CPR coaching.

**Two-button operation.** Only two buttons, ON/OFF and SHOCK, are required for straightforward operation.

**Always ready.** A System Status Ready Indicator flashes to show that the complete system is operational and ready for use. The device automatically runs self-check each week.
