

RTO No: 40507

OHS (WHS) training course for Health and Safety Officers, Managers and Workplace Supervisors.

Active TEC has developed a course that establishes basic skills sets needed to develop and monitor "OHS/WHS" as a company appointed Health and Safety Officer (HSO), Manager or Supervisor .

This course and the certificate IV units, are recognised by the Victorian Building Commission as a WHS/OHS course for either domestic or commercial builders registration (one of the qualifications needed).

A TEC Course Code: BSBWHSMUC4

Unit Codes: BSBWHS411, BSBWHS413, BSBWHS414, BSBWHS415.

Recognition: Nationally Recognised Units of Competence, to Certificate IV level.

This course is designed to provide its participants with knowledge and competency, to develop a safe working environment and maintain compliance with the either, Workplace/Occupational Health and Safety Acts and Regulations.

An extensive RBP checklist is provided to assist with preparation of evidence required, for persons wishing to apply for commercial building registration with the Victorian Building Commission.
